Ave Maria

June 8, 2014 Feast of Pentecost

Cardinals/Archbishops/Bishops of the United States of America

Your Excellency/Eminence,

Greetings and a blessed day to you from Archbishop Jerome ListECKI of Milwaukee and the Rosary Evangelization Apostolate. We send you our prayers imploring Our Lady to shower you and your ministry with many graces.

As Archbishop Jerome ListECKI noted in his cover letter, the Rosary Evangelization Apostolate has produced the enclosed outstanding evangelization resource ***Help America Pray the Rosary*** bumper sticker. The Apostolate is making these available at no cost to all Bishops and their Dioceses etc. for any quantity requested in lots of 250.

This has been made possible due to the generosity of several benefactors. We continue to receive uplifting responses from the faithful regarding this resource.

Here is one outstanding witness story. A complete stranger approached me while I was doing some daily errands at the post office. This individual was trying to find the driver of a car parked outside which had the ***Help America Pray the Rosary*** bumper sticker attached to the car. He wanted to give thanks regarding this bumper sticker which caused him to realize that the crisis in our culture and nation is spiritual and the solution is encountering Jesus Christ through prayer. This was truly a story of amazing grace and renewal which he wanted and needed to share.

The bumper stickers are in shrink wrapped packages of 250 each. Feel free to request any quantity, including thousands, of these bumper stickers.

We suggest that you contact us by email at info@rosaryea.org and include the quantity desired with a complete shipping address. Please include the name of your Diocese. There is no cost incurred as our benefactor will also cover the cost of shipping. We hope and pray that you will consider this unique opportunity and we look forward to hearing from you. Please feel free to also call us with any questions. You certainly remain in our daily prayers. Please remember us in your prayers.

To Jesus through Mary and St. Joseph,

Dick & Terry
