Ave Maria May 24, 2015 Feast of Pentecost

Cardinals/Archbishops/Bishops of the United States of America

Your Eminence / Excellency,

Greetings and a blessed day to you from Archbishop Jerome ListECKI of Milwaukee and the Rosary Evangelization Apostolate.

As Archbishop Jerome ListECKI noted in his cover letter, on August 15 of 2015, the Rosary Evangelization Apostolate, is launching a **National 54 Day Rosary Novena for the Family and Marriage** which includes a focus on peace, the sanctity of human life, and religious freedom and concludes on October 7, 2015.

We are simply encouraging the faithful across America to turn to Our Lady to intercede in a powerful yet motherly manner, while we pray with her, during this Novena for the Family and Marriage. Would you kindly urge the faithful under your care to participate in this urgent time of prayer.

This Novena will offer a message of hope amidst the present spiritual crisis in our culture and nation. We need our Lady to help the faithful to encounter Jesus Christ Who is the solution. The Family is the fundamental unit of society and the true nature of marriage is vital and needs to be affirmed. These are at the center of the focus of the Holy Father, especially during this year of the World Meeting of Families in Philadelphia and the upcoming Synod on the Family.

The following prepared promotion resources have been posted on the Novena website at www.54days.org.

- Complete Novena information
- Parish bulletin announcements – Microsoft word format
- Novena logo and links – JPEG format
- Promotional notices - Microsoft word format - which can be easily inserted into Diocesan and parish websites as well as electronic and US mail type newsletters etc.
- PDF promotion flyer
- A PDF format of this letter as well as the letter from Archbishop ListECKI is also available
- A number of partnering organizations are also listed

We thank you for your prayerful consideration to urge those under your pastoral care to participate in this National Novena. The Holy Spirit through Our Lady will bless you abundantly! We entrust this effort to Our Lady of the Rosary with complete trust that she will intercede for America. You certainly remain in our daily prayers. Please remember us in your prayers.

To Jesus through Mary and St. Joseph,

Dick & Terry
